

WEEKLY STALL RESERVATION

The Oak Creek Farmers Market will have four dates for Market Makers in 2019, charging \$40 for each date. If you are a craft or art vendor interested in a stall, please indicate below. These spaces are available but limited on a first come, first serve basis. Check the markets you are interested in (no limit):

_____ June 15 _____ July 27 _____ August 31 _____ October 5

Oak Creek Farmers Market Committee approves each stall space. You will receive an email to confirm approval. Once approved the City of Oak Creek will issue an invoice. You must pay the invoice to the city two weeks prior to the market you want to sell at. No payments will be accepted at the market.

There is typically no electrical access for vendors; however, there may be limited sites available. A request needs to be made to the Farmer Market Committee.
